Per Donald Trump:

Mark Milley, the same failed leader who engineered the worst withdrawal from a country, Afghanistan, in U.S. history, leaving behind many dead and wounded soldiers, many American citizens, and \$85 Billion worth of the newest and most sophisticated Military equipment in the world, and our Country's reputation, is true, then I assume he would be tried for TREASON in

Fake News concocted by a weak and ineffective General together with two authors who I refused to give an interview to because they write fiction, not fact. Actions should be taken immediately

For the record, I never even thought of attacking China—and China knows that. The people that fabricated the story are sick and demented, and the people who print it are just as bad. In fact, I'm
